Objective

I am looking for a beginner position where I can apply the basic coding skills. I have recently learned my foundational knowledge includes (C,C++,JAVA,C#) for basic scripting and problem solving along with basic understanding of data structures and algorithms. I am very eager to learn more and grow my technical abilities quickly while working on real projects and contributing positively to the team.

Education

Shivaji University   **Kolhapur**
B.Sc. Computer Science(Entire) CBCS   *2023-2026*
A+ C.G.P.A : 8.87.

Shri Kalleshwar Mahavidyalay   **Beed**
H.S.C   *2021–2022*
64.33%

Shri Bhairav Nath Highschool   **Mahe**
S.S.C   *2020*
87.80%

Technical Skills

o **Programming Languages:** C,C++,JAVA,C#, JavaScript.

o **Web Technologies:** HTML,CSS,JavaScript ,Asp.NET ,PHP.

o **Database Management:** SQLite, SQL query generation,MySQL, database schema design.

o **Computer Science Fundamentals:** Data structures, operating systems, algorithms.

o **Software Development:** Web application design, API integration, and deployment.

o **Vision Control:** Git and Github.

o **Deployment & Hosting(CI & CD):** Vercel,Netlify,Render.

o **System & Shell:** Linux(Bash/Shell): File System Navigation(cd,ls).

o **Productivity Tools:** Microsoft Office Suite:Excel(Pivot Tables,Data Visualization),Word(Advanced
    Formatting,Mail Merge),Power Point(Slide Master,Multimedia integration)

Projects

o **Furniture Management System**

The Furniture Shop Management system is a web application developed using **C#**,**.NET** and **SQL** Server that helps furniture retailers manage inventory,sales,customer records and billing operation the system aims to automate daily business activities,reducing paperwork,improving accuracy and increasing efficiency.

o **Whatsapp UI Chatbot**

      I developed a static, rule-based chatbot that meticulously clones the WhatsApp messaging UI using **HTML** and advanced **CSS** for polished,mobile-first design.This Project demonstrates strong front-end skills,particularly in creating pixel-perfect, interactive user interfaces and managing dynamic content using pure JavaScript.

● This Project is deployed at https://whatsapp-chatbot-shreya.vercel.app

o **Web-Portfolio**

      I designed and developed a professional, single-page portfolio website using **HTML, CSS , JAVASCRIPT** To serve as a central hub for my work.This project demonstrates my ability to integrate design principles with technical execution to create a polished, user-friendly personal brand presence.

● This Project is deployed at https://shreyapatil.vercel.app

Courses

o **Tata Group Data Analytics Job Simulation on Forage - September 2025**

  ● Completed a job simulation involving AI-powered data analytics and strategy development for the Financial Services team at Tata iQ.

  ● Proposed and justified an initial no-code predictive modeling framework to assess customer delinquency risk, leveraging GenAI for structured model logic and evaluation criteria.

o **Skyscanner Software Engineering Job Simulation on Forage - October 2025**

  ● Completed a job simulation involving building a basic web app.
  ● Create a Dropwizard microservice to assist users in finding car rentals and hotels
  ● Developed an Android application to display a user's flight itinerary using Backpack

o **Deloitte Australia Technology Job Simulation on Forage - November 2025**

  ● Completed a job simulation involving development and coding.

o **AWS APAC Solutions Architecture virtual experience program on Forage - November 2025**

  ● Designed and simple and scalable hosting architecture based on Elastic Beanstalk for a client experiencing significant growth and slow response times.
  ● Described my proposed architecture in plain language ensuring my client understood how it works and how costs will be calculated for it.

o **INFOSYS Springboard : HTML5 - The Language - December 2025**

  ● To understand the basic structure and developing the web applications with various web-technologies from infosys with building the live interactive projects.

Extra-Curricular Activities

o I will take the responsibility in the New Horizon competition for the registration committee and also participate in building the software for the Student Registration System for this event.

o To Participate in the **TATA Crucible Campus Quiz 2025** organized by the TATA Group .

Hobbies

Cooking,Traveling,Playing Games,Listening Music,Pentings.
